

Headway East London is a charity that helps people affected by brain injury.

This document helps outline some of the support available in your local area and how to access it.

Local Authority Support

If you have a brain injury, your local authority can provide several types of support to help with recovery and daily living.

Camden Council

 020 7974 6666, 10am - 4.30pm Monday,
9am - 4.30pm Tuesday - Friday
020 7974 4444 Out of hours

 5 Pancras Square, London, N1C 4AG

 www.camden.gov.uk

 www.camden.gov.uk/adult-social-care

Support Services include:

> Care Needs Assessment

If you have an ongoing health condition or complex multiple need, Adult Social Care can provide longer-term support to help you to maintain your independence and live well for longer. A Care Needs Assessment is a free service that aims to identify care and support services that would help meet your needs. This could be more support at home, with engagement with the community, if your home is right for you, or if you are getting enough support to manage everyday tasks.

For more information visit www.camden.gov.uk/adult-social-care and find the Camden Adult Social Care Referral Form at <https://rb.gy/pt38mv>

> Council Tax Reduction

You may be able to get a Council Tax Reduction if you're on a low income or get benefits.

You can apply if you own your home, rent, are unemployed or working.

For more information visit www.camden.gov.uk/council-tax-support

If you need assistance to fill out this application, call 020 7974 4444, and say 'Council tax reduction'

> Housing Benefit

Housing Benefit can help you pay your rent if you're unemployed, on a low income, or claiming some benefits. Being eligible and the amount you receive depends on many different factors.

For more information visit www.camden.gov.uk/housing-benefit and www.gov.uk/housing-benefit

> Discretionary housing payments (DHPs)

Discretionary Housing Payments are extra help given by local councils to people who are having trouble paying their rent. For more information visit www.camden.gov.uk/discretionary-housing-payments

> Universal Credit

Universal Credit is managed by the Department of Work and Pensions (DWP).

It combines several welfare payments into one monthly payment to help with living and housing costs.

For more information visit www.camden.gov.uk/universal-credit

> Personal Independence Payment (PIP)

Personal Independence Payment (PIP) is a UK government benefit designed to help people with extra costs of living needs or mobility needs as a result of long-term disabilities or health conditions. The benefit is not means tested and anyone who is eligible, no matter what their financial circumstances are, can apply. For more information visit www.gov.uk/pip/how-to-claim

> Cost of Living

The cost of living with a brain injury can be tough due to extra expenses like medical care, rehabilitation, therapies, special equipment, and possible loss of income. However, there are resources such as government benefits, charities, and financial programmes to help manage these costs.

For more information visit www.camden.gov.uk/cost-of-living-support

Find advice to help to manage your money at www.camden.gov.uk/help-to-get-out-of-debt

> Camden Carers

Carers for brain injury patients provide essential support by assisting with daily activities, managing medical needs, offering emotional care, helping with rehabilitation exercises, and ensuring the patient's safety and well-being. For more information visit Camden Carers at www.camdencs.org.uk

 020 7428 8950 Weekdays from 9am to 5pm (7pm on Wednesdays)

 email info@camdencarers.org.uk

> Therapies

Camden Neurological and Stroke Service provides specialist neurological rehabilitation, seeing patients with any neurological diagnosis including, MS, Huntington's, brain injury and stroke and works with patients in a range of community settings including their own homes, gyms, hospitals or clinics. The team works closely with social services and the voluntary sector to make sure that patients' long-term needs are met. The team consists of physiotherapists, occupational therapists, neuropsychologists, speech and language therapists and rehabilitation assistants. Patients can be referred to one or more disciplines within the team.

For more information visit www.cnwl.nhs.uk/services/community-services/camden-neurological-stroke-service

The Integrated Community Therapy team (ICTT) aims to provide a flexible, holistic client centred community rehabilitation therapy service. For more information visit www.whittington.nhs.uk/default.asp?c=10851

> Brain Injury Identity Card

The complexities of brain injury can make it difficult for people to ask for support. Carrying a Headway Brain Injury Identity Card can provide you with the confidence to know that if you need help, your needs can be easily identified. You must live in the UK, aged 18 and have a verifiable brain injury.

For more information visit www.headway.org.uk/supporting-you/brain-injury-identity-card

> Headway E-Library

Headway's range of e-booklets and factsheets cover many of the symptoms and practical issues associated with a brain injury, including information to support you, your family members and carers. Browse online at www.headway.org.uk/about-brain-injury/individuals/information-library
